

Banners

13 oz. "Rugged" Tuff-Weave
 For strength and durability!!!
 The "Rugged" series has a reinforced triple strength inner-core polyester fibre. Highly recommended for over-the-street type banners or for signage that requires the maximum in durability and performance. Available in a rainbow of hard-to-find colours in any length and height required.

10 oz. "Standard" Tuff-Weave
 Your number one choice of banner. Contains excellent strength properties that make it suitable for nearly all types of temporary exterior applications. The "Standard" 10 oz. has amazing tear strength and weather resistance qualities, with a "Slow to Fade" laminated tough vinyl surface. Available in 17 brilliant colours in any length and height.

8 oz. "Thrifty" Tuff-Weave
 Unbelievably Economical!!!
 Compares in cost to lesser grade fabrics and papers, yet has exceptional strength properties that make the 8oz "Thrifty" series a leader in the banner field. Perfect for quantity order. Ideal for inexpensive promotional banners. Available in any height and length required.
