

CEDAR SIGNS

SANDBLASTED & CARVED

1.75" Western Red Cedar and Signfoam custom cut and decorated to your clients requirements.
 Any shape and size available.
 Design a custom sign or select an example from our hundreds of samples

Perfect for an image of quality and prestige in the office, boardroom, golf course, home or recreational property!

Let them know who you are with a heritage sign.

These signs are sandblasted and carved with a hand painted finish and or pressure sensitive graphic on natural Western Red Cedar or Signfoam.

These signs are great for a business that would like to promote an image of quality and distinction. Very popular with companies that want to achieve the heritage look. These signs can be crafted in any shape or size. Call us for a quote.

Please note: Prices may vary depending on detail in design. Prices shown are a guideline only. Send design for quotation applies to all sizes. For multiple quantities, please request a quotation.
